Dear Sponsor Candidate;

The members of the Fire Chiefs' Association of Broward County (FCABC) are pleased to introduce our Charity Golf Tournament. On May 8th, 2009 we will be holding our fourth annual event at Jacaranda Country Club in Plantation, Florida.

The Fire Chiefs' Association is an organization made up of Chief Fire Officers of every Fire Rescue agency within Broward County, Broward County's Trauma Agency, the American Red Cross (ARC), Division of Forestry and Broward County Division of Emergency Management. As this is a prestige event for our organization, your help would be instrumental in providing a quality experience. Making this tournament successful this year and in the future can only be accomplished with the generosity of you and your corporation. All proceeds from our tournament will directly benefit the American Cancer Society (ACS), and our own scholarship foundation. Donations are tax deductible due to our 501 C (8) designation.

I realize the immediate concerns of our future economic uncertainty, but one thing that is certain is the number of lives touched each year by the effects of cancer. I have personally experienced the compassion and generosity of the ACS as they supported me and my Father through his final months. I cannot say enough about the professionalism exhibited by those associated with this great organization. Most of you, I'm certain, have also experienced the devastating effects of cancer in some form or another. We ask you to please partner with us to support those who support us, and ensure we have another successful event.

If you have any questions about our organization or donations, please feel free to contact Chief James Hunt (954-438-1278) or me through e-mail at dsullivan@cohb.org. Thank you in advance for your interest and support. Sign up information is attached. Feel free to contact either of us directly.

Sincerely yours,

Daniel P. Sullivan
